

The flexible fare business: flexible, eco-friendly and international travel.

The flexible fare business: flexible, eco-friendly and international travel.

DB offers the flexible fare business exclusively to corporate travellers. This offer is well established at our partner companies and offers clear advantages for their business travel needs:

- 9 days of full flexibility in the choice of train taken (from 1 day prior to the selected day of travel up to 7 days following this date)
- Cancellation possible free of charge for 6 months
- City-Ticket included for over 120 cities
- Seat reservation included in both first and second class
- Corporate customer discount can be combined with BahnCard Business 25 or 50 discount

DB has now gone one step further. It is common knowledge that for over seven years all bahn.business customers have travelled on DB's long distance services powered by 100% renewable energy. Now, since the beginning of this year, DB offers its bahn.business customers **CO₂-free travel on its regional and local trains too**. With a flexible fare business ticket, corporate travellers can make the most of this exclusive offer to get to their next meeting with **completely CO₂-free** transport.

Incidentally: In cooperation with our partner railways, bahn.business customers can also book the flexible fare business for trips to **Belgium, Luxembourg, Austria, the Netherlands and Switzerland**.
